Bill #13

**Funding for Bobcat Model United Nations for the Santa Barbara Intercollegiate Model
United Nations (SBIMUN) Conference 2016**

Background:

Bobcat MUN is an organization dedicated to furthering students' understanding of international affairs and skills in public speaking through the modeling of UN sessions and participation in intercollegiate MUN conferences. The club provides the necessary resources and training to compete in these conferences. Through Bobcat MUN, students gain a deeper understanding of the principles of international relations and the roles of various actors in the global political arena as well as those of the United Nations in maintaining peace and conducting conflict resolution. Students also explore the context in which global issues transpire through the research and study of assigned countries' histories, policies, and past involvement with other countries and entities.

During Model United Nations conferences, delegates emulate an assigned country and gather to discuss issues of international diplomacy. Topics discussed in each competition include (but are not limited to) concerns relating to world health, social and humanitarian issues, international criminal tribunals, and conflict resolution for peace. Delegates in every room compete for a "Best Delegate" award, which is bestowed based on speaking ability, teamwork, and leadership exhibited during session. SBIMUN is one such academic competition.

Purpose: The purpose of this bill is to allocate \$3,623.18 from ASUCM's Senate Bill funds to Bobcat MUN to fund the registration fees and travel-expenses to attend and participate in the 2016-2017 Santa Barbara Intercollegiate Model United Nations conference on November 18-20th, 2016.
