Business Society's Internship Class of 2017 is hosting "Networking Your Way To Success." It is a workshop that would offer students information on the importance of networking and about the resources that are available on campus. We want to encourage students to be involved on campus early and to learn about the benefits of doing so. We will be having Jim Greenwood and Professor Justin Hicks be our guests and talk to the undergraduate students about their own experiences and wisdom they have gained over the years.
