Event Title: UC Merced Blitz Chess Tournament  
Event Location: SAAC Building  
Description of Event:

Chess Club has hosted many large free Chess Tournaments with the support of the Blum Center. We have attracted around 40 players each tournament. These tournaments are completely free and also offer scholarship prizes (~\$400 per tournament) to winners and free food. It has been terrific to see the amount of support: we had officers of the club help make this possible, staff members help administer the tournament and many other people volunteering. The chess club is a very active club participating in many school events and also volunteering to teach chess at the boys and girls club. We also supported the boys and girls club and two UC Merced alumni who volunteer as US Peace Corps with chess sets so that they could continue to grow. We have tournaments, write articles, create puzzles, review games from grandmasters, teach chess to new players, and work as a club to improve all of our members. We have been featured in the Merced Sun Star. The chess club attracts a very diverse crowd: undergraduate students, graduate students, staff members, faculty, children from the area, students at Merced College, and Merced Chess Club.

We propose to host another tournament for our students on campus, we expect 60-80 people to attend and over 40 to play. The tournament will be free, provide food as it takes course around dinner time and is a several-hour long event. It will also offer free prizes for participants trophies and scholarship prizes.
