Description of Event: The 2017 ESW Annual Conference is a conference for all majors interested in the environment and sustainability. This event brings together all the Engineers for a Sustainable World (ESW) club members from around all over the world. It is a chance for students to discuss past and present projects, network with other students/ clubs, and learn something new about sustainability. Several companies will be there as well to showcase job opportunities which will be helpful for graduating seniors.
Have You Received an ASUCM Line Item for this Event? No
