

Good Evening ASUCM Senators, Students, and Guests,

Happy Wednesday, everyone! I'll try not to talk too much as we have a stacked agenda. On September 29th, 2014, I will be having my first Coffee with the ASUCM President, and I'm stoked to talk to students over some good ol' coffee. It will be in the ACORN. I also would like to wish a belated Happy Birthday to two of our ASUCM Senators, Sean Quarstrom and Dominique Jones.

On another note, you have some very large bills on the table tonight, and I hope you all take them into heavy consideration when voting on them.

Next Tuesday and Wednesday, I will be traveling to Oakland for a meeting with UC President Janet Napolitano and the Council of Presidents. We have some very important topics on our agenda such as Potential Tuition Increases, Student Mental Health Services, and the UC Smoking Ban Policy, along with other important issues. I will report next week on the outcomes of this meeting, and what we can do as an AS to address some of those topics.

Lastly, this weekend on Sunday is our ASUCM Executive Retreat, and I'm excited for it. I am looking forward to bonding with all of our Executives and setting our goals for this year.

Does anyone have any questions? If not, let's have a great meeting.

Best,  
Ivan Flores  
ASUCM President
